

Summer Anderson

Project Coordinator

- Implementation facilitation
- Qualitative Work
- Intersection of policy, health, healthcare and research

summer.anderson@va.gov

**Lindsay Ballengee
(Former Member)**

**Former VA Quality Scholars
Fellow**

- Nonpharmacologic interventions
- Pain Management
- Implementation Science/Processes

lindsay.ballengee@duke.edu

Nathan Boucher

Core Investigator

- Lay Navigation
- Older Adults
- Caregiver support
- Care delivery improvement

nathan.boucher@duke.edu

Leah Zullig

Core Investigator

- Pragmatic Work
- Partnered Work
- Evaluation

leah.zullig@va.gov

Colleen Burke

VA Quality Scholars Fellow

- Healthcare Utilization and Access
- Nonpharmacologic pain interventions
- Health Behavior
- Quality Improvement and Implementation Sciences

colleen.burke@duke.edu

Ashley Choate

**Implementation Specialist
Acting Innovation Specialist**

- Program Implementation
- Innovation

ashley.choate@va.gov

Courtni France

**Research Health Science
Specialist**

- Women's Health
- Healthcare Utilization and Access
- Mixed Methods
- Real World Evidence Development

courtni.france@va.gov

George Jackson

**Research Health Scientist
Implementation and
Improvement Lab Director**

- Healthcare Epidemiology
- Implementation Science
- Health Administration
- Innovation development
- Team-based care
- Chronic illness care and prevention

george.jackson3@va.gov

Amy M. Kirshner

Project Coordinator

- Intervention Adaptation
- Implementation Strategy Design
- Innovation Development and Implementation
- Chronic Illness Care and Prevention

miriam.kirshner@va.gov

Chanee Lynch

**Research Health Science
Specialist**

- Stakeholder Engagement
- Program Implementation
- Community Capacity building

chanee.lynch@va.gov

Isis Morris

Project Coordinator

- Stakeholder Engagement
- Partnered Research

isis.morris@va.gov

Julie Schexnayder

Postdoctoral Fellow

- Intervention Adaptation
- Implementation strategy design
- Mixed Method Evaluations

julie.schexnayder@va.gov

Kate Sheahan (Former Member)

Former Post Doctoral Fellow

- Women's Health
- Health Services Research focused on primary healthcare service delivery
- Mixed Method Approaches

kate.sheahan@va.gov

Melissa Smigelsky

Psychologist

- Mental health
- Spirituality
- Intervention Development

melissa.smigelsky@va.gov

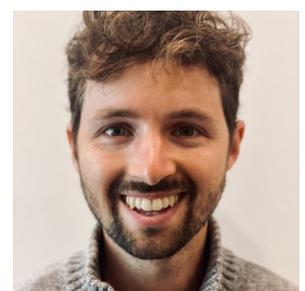

Brandolyn White

Project Coordinator

- Engagement
- Partnered Research

brandolyn.white@va.gov

Tyler Cope

Research Associate

- Innovation development and implementation
- Health behavior
- Health technology

tyler.cope@va.gov

Connor Drake, PhD

Implementation Scientist

- Implementation science
- Chronic illness care
- Social determinants of health/ social care integration

connor.drake@va.gov

Stephanie Wells

Research Psychologist

- Mental health
- Implementation
- Mixed Methods
- Access and engagement in PTSD treatment
- Pragmatic trials

stephanie.wells2@va.gov
